INTRODUCTION
AND
GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories, present to subscribers and the general public, this, the latest edition of the Fayetteville City Directory. (In all, the HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 city and suburban Directories).

Confidence in the growth of Fayetteville's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the City Directory is a mirror truly reflecting Fayetteville to the world.

The enviable position occupied by HILL's Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional people and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Fayetteville City Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings--a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified city like Fayetteville, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The City Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This Directory aims to show the name, marital status, occupation and address of each adult resident of Fayetteville, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Municipal Publicity

The City Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. The publishers have placed copies of this issue of the City Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Fayetteville.

This is one of many Directory Libraries installed in cities and towns throughout the United States and Canada through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional people who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

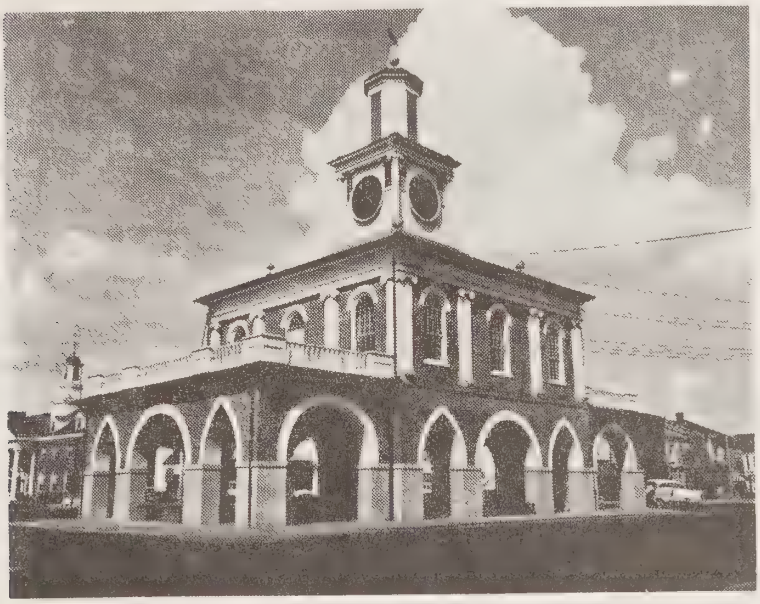
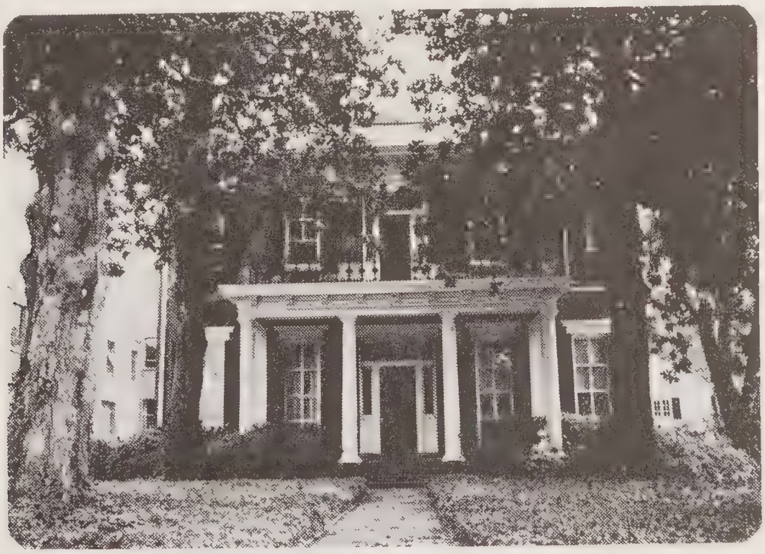
FAYETTEVILLE, NORTH CAROLINA
CITY OF
HISTORICAL HERITAGE



"THE MARKET HOUSE"

The Market House was built in 1838 on the site of an earlier building, the State House, which was destroyed by fire in 1831. The Market House is Spanish-Moorish architecture and was built for use as a town market where farmers brought produce for sale. In 1789, the Market House housed the North Carolina Constitutional Convention at which the Constitution was ratified in the State of North Carolina.



Located in downtown Fayetteville and shaded by great magnolia trees, the Kyle House is an elegant town house of Italianate and Greek Revivial design. The house was built by James Kyle, a prosperous Scottish merchant, around 1836 on the site of the Fayetteville Academy which had burned in the disastrous fire of 1831.

In addition to its original downtown shopping complex, like most every population center in the country, Fayetteville has numerous urban shopping centers that continue to expand.

Some of the shopping centers in the Fayetteville Area:

Cross Creek Mall

Cross Creek Mall

The Fayetteville Mall

Fayetteville State University

Methodist College-Fayetteville, N.C.

TOURIST AND TRAVEL—Being situated midway between New York and Florida on Interstate 95, supplemented by U. S. 13, 301 and 401; N. C. 24, 53, 59, 87 and 210, the area presently supports forty-four motels, with others under construction. These have, of course, attracted regional and statewide meetings and conventions of all sizes and types to both the motels and the Cumberland County Memorial Auditorium and Exhibit Hall complex. The latter also serves as an entertainment center for the area throughout the year with its 2,439-seat auditorium and the exhibit hall, both of which are completely air conditioned.

Downtown Fayetteville—Ever Expanding And Growing

Highland Presbyterian Church

St. Johns Episcopal Church

302 Green Street, Fayetteville, NC., has an interesting history dating back to its founding in the first part of the 19th century.

For a while, the land which St. John's now sits on was owned by the Roman Catholics, but it was acquired and used for the First Presbyterian Church in the early 1800's. The Presbyterians decided to move to a more spacious site, and the land and the original building were purchased by the newly-formed congregation of Episcopalians in the spring of 1817. St. John's Church has continued on its original site to the present time.

TRANSPORTATION--Air—Barge—Bus—Rail—Truck--Few areas in the country are served by all these phases of transportation. Being situated geographically as it is, Fayetteville enjoys all of these.

With a constantly expanding modern airport, capable of accommodating most all equipment in use today, Fayetteville becomes more a center of transportation each day for southeastern North Carolina and portions of nearby South Carolina.

Water borne petroleum and liquid fertilizer that move inland ninety miles up the Cape Fear River are competitive into South Carolina and points in Virginia. Tonnage increases annually, and with the completion of flood and water control facilities upstream, should be spurred considerably.

Being situated on the main line of the Seaboard Coast Line Railroad naturally provides splendid service both north and south.

PARKS AND RECREATION—City of Fayetteville maintains 41 parks with areas totaling 354 acres under the direction and supervision of a full-time parks and recreation director, with a year 'round program of activities.

Fourteen miles downstream on the Cape Fear River, on N. C. 87, the U. S. Corps of Engineers maintains a beautiful park adjacent to the William O. Huske lock.

CHURCHES—There are some 200 or more churches in the area, representing most all faiths.

Haymount Methodist Church

RECREATION—Planned and supervised year-round programs for all ages by both city and county recreation and parks departments: tennis, bowling, archery, boating, skating, golf, miniature golf. Over fifty public and private golf courses within an hour's drive. Several public lakes. Diverse transient entertainment attractions, sports events, indoor and outdoor theatres.

PLEASE! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

AN INVESTMENT—A BUSINESS TOOL

Be certain that everyone in your organization is carefully instructed and thoroughly familiar with the information it contains and how to use it. To assist you, the publishers have included detailed instructions on the opening pages of each of the four Directories which should, in a general way, familiarize each user with its contents and applications.

Also, should you desire additional copies of these instructions, please write the publisher at the address in the front of your Directory.

PLEASE! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers —the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

CASHIERS! TELLERS! CLERKS!

Do your employers furnish you with the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

HOMEOWNERS

By having and using your own copy of the local City Directory, you can positively identify—and reach—the kind of person, business firm and family that are most likely to be in the market for the type of product or service that you sell. Through the City Directory you'll be reaching the individuals and businesses with the top purchasing power in your community . . . those who consistently buy when they want to buy, not when they have to.

By advertising in your local City Directory, you can make sure these same people can identify and locate YOU.

You join with the backbone of your community business life; you become an integral part of the permanently established, successful firms in your community when you advertise in your local City Directory. This is prestige advertising without the financial penalties normally associated with prestige advertising.

NEW NEIGHBOR

Be certain that everyone in your organization is carefully instructed and thoroughly familiar with the information it contains and how to use it. To assist you, the publishers have included detailed instructions on the opening pages of each of the four Directories which should, in a general way, familiarize each user with its contents and applications.

Also, should you desire additional copies of these instructions, please write the publisher at the address in the front of your Directory.
